)

Before the court is Defendant's Motion to modify conditions of release. Defendant requests that he remain on electronic monitoring, but be subject to a curfew, rather than home detention. Defendant's supervising Probation Officer does not oppose the request; the United States' position is unknown. As Defendant's status now is post-change-of-plea, pre-sentencing, there no longer is a presumption of innocence. The Motion (**ECF No. 549**) is **DENIED**.

IT IS SO ORDERED.
